Solución prueba XIII

The image is a composite of three distinct scenes. On the left, a painting shows a woman in a white dress and red shawl sitting on a chair, writing on a desk. In the center, a painting depicts a group of men in historical attire on a ship's deck, with one man in the foreground looking towards the right. On the right, a still life scene shows a wooden desk with a chest of drawers, a palette, and other objects. The text is overlaid in the center of the image.
